---

Welcome to the Listening Dads Are Champs/Ravens Conversation Starter Cards. We've designed this as a “win-win” game where everyone gets a chance to **LISTEN** and **TALK**.

---

The purpose of this game is to get to know more about your family and friends by honestly answering the questions on each card and carefully listening to the replies. Kids & parents can take turns asking the questions. There are 40 cards in the deck, and each one also contains a piece of Baltimore Ravens trivia

that you can use to create more fun games and interactions with your loved ones. Go ahead, get started – and remember these are only conversation *starters*. You do not have to finish all of the cards to continue talking.

Remember, **Listening Dads are Champs...**
